

## Support and manage your field teams from anywhere.

---

Connect View by Technicate is an advanced real-time peer-to-peer communications system that allows managers to remotely assist field staff, conduct quality assurance reviews and inspections, and provide technical support without having to leave their office or job site.

### **Connect View enables managers to:**

- \* Conduct Real-Time Remote Inspections
- \* Conduct Remote QA / QC Reviews
- \* Record Video and Capture Pictures
- \* Document and Report Project Milestones
- \* Provide Remote Field Supervision and Technical Support

**Contact us today at (916) 880-1128  
for a free demo and two week trial.**
